Warranty

Bosch gives you a warranty on privately used tools. For details, please refer to the information included in the product you purchased, and the Terms and Conditions document below.

In the event of a repair under warranty, please make sure to present a copy of the proof of purchase and, if necessary, the warranty certificate.

Repair in the warranty time

Please always present the complete product (including all batteries and charger for cordless tools) to your power tool or service dealer.

The Bosch warranty covers manufacturing and material faults only and does not apply to misused, damaged or tampered with tools.

Power Tools from Bosch are guaranteed against material and manufacturing defects for a period of 12 months starting from the date of purchase as recorded in the invoice of purchase document.

In the event of failure of tools due to material & manufacturing defects, we undertake to repair the tools (with repairable parts) free of charge, provided we are satisfied that:

- ▶ The power tool has not been tampered with.
- ▶ Failure has occurred due to manufacturing/material defect.
- ▶ The power tool has been purchased from an accredited dealer/retailer/online portal.
- ▶ The claim has been referred to one of the Bosch Authorized Service Centers along with the power tool, warranty card and original tool purchase valid invoice with GST number.
- ▶ The customer shall carry the tools to the nearest Authorized Service Center at his/her own cost and risk.
- ▶ The Bosch Tool shall be used strictly for intended purpose in accordance with the user manual.

This warranty does not cover

- ▶ All normal wear and tear parts like carbon brush, bearings, O-rings, Oil seals, mechanical parts, trigger, pump unit, plastic parts, heating element & accessories etc.
- ▶ Installation to wrong voltage, overload, wrong accessories and wrong application.
- ▶ Use other than in accordance to handling instructions.
- ▶ Unauthorized repair carried out.
- ▶ Damage due to any unit caused by accident, misuse, willful damage, and normal wear, claims arising from loss, fire or other calamities caused by nature or in any way being tampered with.
- ▶ DIY (Do It Yourself) tool used for professional & semi-professional application.
- ▶ Intermittent duty tool used for production purpose.
- ▶ Use of spurious spares and look alike & non-genuine spares.
- ▶ Failure to comply with any safety precaution or maintenance tip suggested in user manual.
- ▶ Original serial number is deleted/defected/defaced or altered or tamperproof seal is damaged.
- ▶ Calibration of tools is not covered under warranty.
