PRO GARDEN TOOLS

Trim, Cut, Blow with the Power of Bosch

Edition: 2025

Cordless Lawn Mower GRA 18V2-46 Professional

Part Number: 0.600.8C8.000 (Bare Tool)

High performance lawn mower with convenient handling and robust design

PROFESSIONAL
2X 18V
BATTERY
SYSTEM

MRP
₹65,990

Powerful 2x18V Performance

BITURBO Brushless motor and two 18V batteries provide performance equivalent to petrol-powered tools.

Versatile Grass Cutting

Convenient cutting, collection, mulching and storage.

Robust Design

Robust metal deck and handle frame for higher durability and lifetime.

Best performance with 2X ProCore 8.0Ah 18V battery.

Strong Performance

2x18V Powertrain

- Upto 750m² cutting area with 2*ProCore 18V 8Ah.
- 2x18V for increased performance and runtime.
- Powerful brushless motor.
- 46-cm cutting diameter.

BITURBO
BRUSHLESS

Durability

Robust Metal Deck for Extended Lifetime

- Full metal deck no plastic inserts.
- Robust metal handle frame with bail bar.

Simplicity & Versatility

Convenient Cutting, Collection, Mulching and Storage

- 6-level cutting height adjustment (30mm to 70mm).
- 60 L fabric grass basket.
- Mulching plug.
- Space saving storage incl. vertical option thanks to collapsible handle.

Health

Improved Ergonomics & Protection

- Ergonomic soft grip handle with 2-level height adjustment.
- Low noise at 94dBA.

Technical Details

V Standard Voltage 2x18V	 Cutting Width 46cm	 Height of Cut 30-70mm	 No-load speed 3100rpm	 Grass bag capacity 60 L	 Area of Cut (with 2X ProCORE 18V 8Ah batteries) 750m²	 Weight (excl. battery) 25kg

Cordless Chain Saw GKE 18V-40 Professional

Part Number: 0.600.8D3.000 (Bare Tool)

Versatile chain saw with powerful, brushless performance

PROFESSIONAL
18V
SYSTEM

MRP
₹48,390

Strong Performance

Brushless motor delivers high power at significant lower noise levels than petrol competitors and without exhaust fumes.

Ready for Action

Hassle-free start procedure (vs.petrol), low maintenance and long service life.

Continuous Cutting through beams, timber and thick branches

Capable to handle various loads thanks to the OptiCut feature with adaptive speed and torque control.

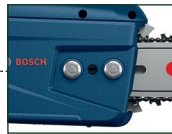

Best performance with ProCore 8.0Ah (18V) battery.

Health

Improved User Protection & no Exhaust Fumes!

- Kickback brake for enhanced safety.
- Guaranteed Sound Power Level: 102dBA.
- Vibration: 4.5m/s² (K Factor 1.5 m/s²).
- Electronic motor brake stops chain quickly after trigger release.

Robustness

Adopting Proven Elements from Petrol Powered Saws

- Tooled chain tensioning with on-board srench.
- Metal bumper spikes increase the control when cutting.

Strong Performance

- 40cm bar with oregon chain suitable for a wide range of applications provides durability & affordability.
- Chain speed of 12.4m/s.
- OptiCut feature manages and adapts motor parameters to ensure maximum cutting performance without interruptions.
- *Cuts per charge: 4Ah = 80 cuts, 8.0Ah = 160 cuts.
- 10x10cm pressure treated wood with ProCORE18V 12.0 Ah.

Simplicity

Comfortable Handling and Smart Design!

- Lightweight & ergonomic design with perfect balance reduces strain, making long hours of work enjoyable.
- Translucent oil tank for easy oil level checks.
- Opening in battery compartment to clean out wood chips/dust.

Cordless Hedge Cutter GHE 18V-60 Professional

Part Number: 0.600.8C9.000 (Bare Tool)

Heavy duty cutting with powerful, cordless performance

PROFESSIONAL
18V
SYSTEM

MRP
₹24,390

- Strong Performance**
High power and long service life thanks to brushless motor.
- Continuous Cutting through thick dense hedges**
Cut thicker branches with the Bosch Anti-Blocking System, never have your hedgecutter jammed.
- Lightweight and Ergonomic**
Lightweight design minimizes user fatigue from cutting large dense hedges.

Best performance with GBA 18V 4.0Ah, GBA 18V 5.0Ah batteries.

Durability

- High-quality diamond ground dual edge blades ensuring top durability.
- Precision ball bearings for efficient operation and long life.
- Metal blade-tip protector.
- Sawing function.

Health Improved User Protection

- "Cut Protection" reduces injury risk.
- Low noise at 91dBA.
- Low vibration <2.5m/s².

Strong Performance

- Powerful brushless motor.
- 3,000 strokes per minute (spm).
- Tooth opening 23mm.

Simplicity

Perfect Handling and Convenient Cutting

- Continuous & easy cutting with patented Anti-Blocking System (ABS).
- Lightweight & ergonomic design reduces strain, making long hours of hedge cutting enjoyable.

USP!

Cordless Leaf Blower GBL 18V-750 Professional

Part Number: 0.600.8D2.000 (Bare Tool)

Heavy duty garden clearing with powerful, cordless performance

PROFESSIONAL
18V
SYSTEM

MRP
₹24,290

Strong Performance

Brushless motor and axial fan deliver strong-performance, heavier-duty debris movement.

Full Control

Select optimal power, noise level and runtime depending on the task.

Ergonomic

No-strain working thanks to lightweight and well-balanced design.

Best performance with ProCore 8.0Ah (18V) battery.

Simplicity

- Twist-and-click nozzle attachment.
- Variable speed control for optimal precision & full control.

BITURBO
BRUSHLESS

Strong Performance

- Powerful brushless motor.
- 750m³/h volumetric flow.

Health

Improved User Protection

- Well-balanced & lightweight design (works with one 18V battery) that reduces strain.
- Low noise at 97dB (TBC).
- Very low vibration <1m/s².

Durability

- Robust axial fan.

Cordless Grass Trimmer GRT 18V-33 Professional

Part Number: 0.600.8D0.000 (Bare Tool)

Heavy duty wild grass clearing with powerful, cordless performance

PROFESSIONAL
18V
SYSTEM

MRP
₹30,990

- High Performance**
Brushless motor, longer motor life - more runtime - more power.
- Continuous Trimming**
Best work results without interruption, thanks to the constant speed & Anti-Tangle feature.
- Effortless Trimming**
No-strain working, thanks to well-balanced and lightweight design.

Best performance with GBA 18V 4.0Ah & GBA18V 5.0Ah batteries.

Health

Improved User Protection

- Low noise of 90dB*.
- Restart and Overload Protection.

Strong Performance

- Powerful brushless motor.
- Constant electronics delivering continuous trimming - even under load.
- Pro-Tap spool with 33cm cutting diameter.

Simplicity

Convenient Trimming with Perfect Handling

- Well-balanced & lightweight design that reduces strain and makes trimming enjoyable.
- Easy & precise control of RPM thanks to variable speed (motor speed 4500-6400 min-1).
- Continuous trimming without interruptions thanks to Anti-Tangle feature.
- EasyWind spool.

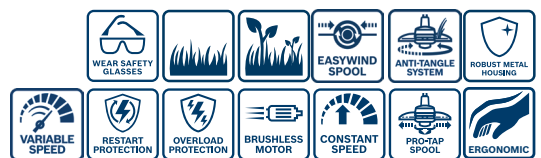

USP!

Durability

- High-quality materials.
 - ▶ Durable aluminum motor housing.
 - ▶ Robust spool with aluminum eyelet.

*Target

Cordless Pro Pruner Professional

Part Number: 0.601.9K1.0F1

Less effort and improved pruning efficiency, with the pull of a trigger

PROFESSIONAL
12V
SYSTEM

Best Cutting Performance in class*

Completely new brushless motor platform together with optimized mech. system makes every cut efficient.

Largest number of cuts per battery in class**

4500 cuts/battery, no anxiety for battery.

Lightweight

Equal to weight of 3 normal apples, fitting for whole day working.

Best performance with GBA 12V 2.0Ah.

Status LED indicator

High visibility to Inform user about the tool status, enhancing safety level.

Sharp and durable blades for intensive applications

- Lifetime exceeds 500,000 cuts#.
- Stainless material no concern for rusting corrosion.

Ergonomic design

Suitable for continuous use.

Cutting various types of branches with ease

- New brushless motor delivers high efficiency.
- 4 times better performance than DC motor#.

Safety ensured by NTC protection

- Monitor the tool's status anytime during operation.
- Overload protection, overheating protection.

Up to 4500 cuts per battery**

- Optimized blade with special curve.
- High-performance battery managing system from Bosch.

*Compare with other 12V pruners.

**Measured with 12V/3.0Ah battery.

Warranty

Bosch gives you a warranty on privately used tools. For details, please refer to the information included in the product you purchased, and the Terms and Conditions document below.

In the event of a repair under warranty, please make sure to present a copy of the proof of purchase and, if necessary, the warranty certificate.

Repair in the warranty time

Please always present the complete product (including all batteries and charger for cordless tools) to your power tool or service dealer.

The Bosch warranty covers manufacturing and material faults only and does not apply to misused, damaged or tampered with tools.

Power Tools from Bosch are guaranteed against material and manufacturing defects for a period of 12 months starting from the date of purchase as recorded in the invoice of purchase document.

In the event of failure of tools due to material & manufacturing defects, we undertake to repair the tools (with repairable parts) free of charge, provided we are satisfied that:

- ▶ The power tool has not been tampered with.
- ▶ Failure has occurred due to manufacturing/material defect.
- ▶ The power tool has been purchased from an accredited dealer/retailer/online portal.
- ▶ The claim has been referred to one of the Bosch Authorized Service Centers along with the power tool, warranty card and original tool purchase valid invoice with GST number.
- ▶ The customer shall carry the tools to the nearest Authorized Service Center at his/her own cost and risk.
- ▶ The Bosch Tool shall be used strictly for intended purpose in accordance with the user manual.

This warranty does not cover

- ▶ All normal wear and tear parts like carbon brush, bearings, O-rings, Oil seals, mechanical parts, trigger, pump unit, plastic parts, heating element & accessories etc.
- ▶ Installation to wrong voltage, overload, wrong accessories and wrong application.
- ▶ Use other than in accordance to handling instructions.
- ▶ Unauthorized repair carried out.
- ▶ Damage due to any unit caused by accident, misuse, willful damage, and normal wear, claims arising from loss, fire or other calamities caused by nature or in any way being tampered with.
- ▶ DIY (Do It Yourself) tool used for professional & semi-professional application.
- ▶ Intermittent duty tool used for production purpose.
- ▶ Use of spurious spares and look alike & non-genuine spares.
- ▶ Failure to comply with any safety precaution or maintenance tip suggested in user manual.
- ▶ Original serial number is deleted/defected/defaced or altered or tamperproof seal is damaged.
- ▶ Calibration of tools is not covered under warranty.

Repair service

Put your devices in reliable hands.

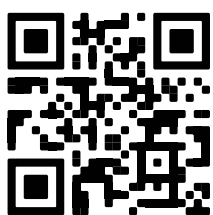

Is your Bosch device defective? We want to change that as soon as possible. Book an online e-repair service on our website by simply scanning the QR code, you will receive your device back in immaculate condition post repair.
